Respected Sir,

The Principal, St. John's School, Marhauili, Varanasi most respectfully furnishes the following facts:

- 1- That in compliance to G.O. No. 758/ 15-07-2020-1 (20)/ 2020 dated 27-04-201 we stick to the fee structure of 2019-20 in academic year 2020 21 and not even a single paisa towards fee etc. was increased in the academic year 2020-21, Besides we on our own accord had allowed 10% deduction to all the students/parents during academic year 2020-21.
- 2- That in the academic year 2021-22 we did not make any increase in fee structure but we allowed 10% deduction in payment of fee etc. to all the students/ parents.
- 3- Though it was allowed to increase the FEE in the academic year 2022 2023 taking into consideration the welfare of the students and parents we did not increase the fee in the academic year 2022-23 and followed the same fee structure of 2019-2020 to all the students/parents. However we had hiked the salary of the staff of the school.
- 4- In fact we had allowed much more deduction cumulatively in THREE CONSECUTIVE YEARS
- 5- That those students who passed out or left after the academic year 2020-21, are being informed to collect their 5% of the Fee by showing the Fee receipts of 2020-21 in the school office.
- 6-The above information is placed on the school notice board and also uploaded in the school website as information to all people of concern.

The reply is accordingly submitted.

Thanking You,

[Principal]  
St. John's School,  
Marhauili ,
